For office use only	
Date and details of revision	
Version number	1

Module aims

The module enables students to practise skills in context by providing 140 hours of work-based learning experience. Students must attend a pre-placement meeting to plan the parameters of the placement, including how their learning needs will be met, with their practice teacher and university personal tutor.

Module Learning Outcomes - at the end of this module, students will be able to:

1	Evidence the National Occupational Standards and Code of Professional Practice associated with level 4 social work education
---	--

Assessment

Indicative Assessment Tasks:

This section outlines the type of assessment task the student will be expected to complete as part of the module. More details will be made available in the relevant academic year module handbook.

Portfolio of evidence from Practice Learning Opportunity.

Assessment number	Learning Outcomes to be met	Type of assessment	Weighting (%)
1	1	Portfolio	Pass/Fail

Derogations

Only two attempts at the assignment.

This module must be passed and is not eligible for compensation.

Learning and Teaching Strategies

Practice Placement under the supervision of a qualified social worker. University support systems are mediated by personal tutor support.

Indicative Syllabus Outline

Placement preparation – partnership arrangements and placement documentation

Practice learning opportunities where hours are typically 9am – 5pm, working approximately 37 hours per week (according to agency patterns) to meet the regulatory requirements set by the Social Care Wales for placement opportunities.

Indicative Bibliography:

Please note the essential reads and other indicative reading are subject to annual review and update.
