Module aims

This module will enable students to build upon the professional skills, knowledge and behaviours gained from the programme and previous professional practice module at level 4. Deeper reflection will be undertaken through the Professional Behavioural Evaluation Assessment. Students will focus on their career goals and the skills, attributes and professional behaviour needed to gain employment.

Module Learning Outcomes - at the end of this module, students will be able to:

1	Undertake 150 hours of work experience in a career specific environment
2	Evaluate the skills, attributes and professional behaviours required to gain employment in a specialist sector

Assessment

Indicative Assessment Tasks:

This section outlines the type of assessment task the student will be expected to complete as part of the module. More details will be made available in the relevant academic year module handbook.

1. Completion of 150 hrs timesheet, 3 reflective logs from work-based learning, Negotiated Learning Contract. All these elements should be submitted to gain a pass.
2. Presentation (10 min) to include the Professional Behavioural Evaluation Assessment.
