Total active learning and teaching hours	24 hrs
Placement / work based learning	0 hrs
Guided independent study	176 hrs
Module duration (total hours)	200 hrs

For office use only	
Initial approval date	November 2021
With effect from date	September 2022
Date and details of revision	
Version number	1

Module aims

This module provides an understanding of labour markets and its impact on workforce planning. Students will learn about managing talent in organisations through succession planning, creating talent pools by identifying, training and developing talent, retention strategies and the importance of managing contracts and onboarding process. The module also covers the impact of technology and trends on talent management

Module Learning Outcomes - at the end of this module, students will be able to:

1	Critically examine labour market trends and its impact on workforce planning.
2	Critically evaluate talent management processes.
3	Critically analyse the impact of recent talent management trends in organisations.
4	Evaluate the impact of technology on resourcing and talent management.

Assessment

Indicative Assessment Tasks:

This section outlines the type of assessment task the student will be expected to complete as part of the module. More details will be made available in the relevant academic year module handbook.

Assessment 1:

Students will examine labour market trends and its impact on workforce planning and evaluate talent management processes. (2500 words)

Assessment 2:

Students will analyse the impact of recent trends and technology on effective resourcing and talent management and deliver a group presentation. The duration of the presentation will be 15 minutes.

Assessment number	Learning Outcomes to be met	Type of assessment	Weighting (%)
1	1,2	Written Assignment	60%
2	3,4	Presentation	40%

Derogations

None

Learning and Teaching Strategies

The student learning and teaching strategies are linked to the university's Strategy for Supporting Student Learning and Achievement (SSSLA) and Active Learning Framework (ALF) guidelines. Lectures will be provided to students digitally, a minimum of three working days before the classroom tutorials. Students will have access to a mix of recorded lectures, supporting notes, journals and articles, face to face tutorial activities to support their learning.

This module is embedded within the values and practices espoused in the Glyndwr University's Teaching and Learning and Assessment strategy whereby students are encouraged to take responsibility for their own learning and staff facilitate the learning process, with the aim of encouraging high levels of student autonomy in learning and the capacity to apply it within the wider environment.

Indicative Syllabus Outline

Labour markets and labour market trends

Talent management processes (workforce planning, succession planning, retention etc)

Managing contracts and onboarding process

Recent trends and the impact of technology on talent management
